Dear Suzanne

Please be advised that Hammond Motor Group fully supports the IMI Vocationally Related Qualification (VRQ) and IMI National Vocational Qualification (NVQ) which will provide professional skills, knowledge and understanding required by technicians.

QAN If available	Qualification Title
	IMI Level 2 Certificate in Automotive Glass Related Operations
	Level 2 NVQ Diploma for Autoglazing Technicians

I believe the content of this qualification delivers the specialist knowledge and skills required by the Automotive retail sector, and therefore supports the needs of employers within the industry by creating a high quality and skilled work force.
 This qualification provides learners with a progression route from a lower level qualification and assists in their career progression.
