

IMI MOT TRAINING AND ASSESSMENT

MOT CHANGES

DVSA have changed requirements for MOT Testing and Management. Anyone carrying out MOT inspections will now need to have undertaken annual training and an annual assessment.

Anyone new entering the industry will need a qualification to become an authorised MOT Tester or Test Centre Manager.

IMI MOT SOLUTIONS

IMI has created competitive, cost-effective solutions that meet the new MOT requirements:

- **MOT Test Centre Management qualification**
- **MOT Testing qualification (Light Vehicle)**
- **MOT Testing qualification (Motorcycle)**
- **MOT annual training and annual assessment**
- **MOT annual training modules**
