

ASSESSOR REQUIREMENTS FOR ADAS ACCREDITATION

Prerequisite Accredited Assessor in one of the following routes:

- Vehicle Damage Assessor
- Senior MET Technician
- Senior Panel Technician
- Autoglazing Master Technician
- Light Vehicle Diagnostic Technician
- Light Vehicle Master Technician

*Please note no other previously achieved Accredited Assessor award will be accepted as a prerequisite for this route

Online test:

- Containing 20 ADAS specific questions
- 20 minutes to complete
- Minimum pass mark required of 80% (16/20)
- 2 attempts permitted FOC and then chargeable

Cost:

- Upon centre approval for the ADAS route, any current assessor meeting the above prerequisites will be entitled to registration on the online test FOC (for the initial two attempts)
- Any additional retakes will be charged in-line with current IMI policy
- Certificates will not be issued unless the candidate requests and pays for certification

CPD:

- It is recommended that any approved ADAS Assessor undergoes annual ADAS relevant CPD to remain current
