Clearly stated company goals/business plan for next three years	<input type="checkbox"/>
Forecast of annual registrations	<input type="checkbox"/>
A suitable documented quality management system, defining roles, responsibilities and accountabilities that are clearly defined and understood	<input type="checkbox"/>
Hold accurate candidate records and details of achievement in line with IMI requirements, available for external quality assurance and auditing purposes	<input type="checkbox"/>
Hold relevant assessment and candidate records for the minimum specified amount of time, made available to the IMI upon request	<input type="checkbox"/>

Facilities and equipment

Suitable premises, facilities, equipment to support the products being delivered	<input type="checkbox"/>
Ensure all premises, facilities, equipment comply with health and safety requirements	<input type="checkbox"/>
Ensure security and storage of any examination material meets IMI requirements	<input type="checkbox"/>

Policies and procedures

Internal quality assurance strategy with roles, responsibilities and accountabilities of the IQA team being clearly defined and understood	<input type="checkbox"/>
Enrolment inductions and support for candidates	<input type="checkbox"/>
Complaints and appeals policy and process	<input type="checkbox"/>
Conflicts of interest policy and process	<input type="checkbox"/>
Equal opportunities and diversity policy	<input type="checkbox"/>
Malpractice and maladministration policy and process	<input type="checkbox"/>
Risk assessment	<input type="checkbox"/>
Invigilation policy and process	<input type="checkbox"/>

Resources and personnel

Necessary level of staff, resources and systems to support delivery and assessment	<input type="checkbox"/>
Agree to undertake assessments in accordance to products being delivered	<input type="checkbox"/>
Single, named, point of accountability	<input type="checkbox"/>
All relevant staff to have a clear understanding of candidate registration and certification processes	<input type="checkbox"/>
Ability to guard against fraudulent or mistaken certificate claims	<input type="checkbox"/>
Arrangements and agreements in place with third-party suppliers and subcontracted services	<input type="checkbox"/>
Internal quality assurance arrangement to ensure effective and efficient delivery of products	<input type="checkbox"/>
Administrative systems to track candidate progress and ensure validity of certificate claims	<input type="checkbox"/>

Centres will be required to submit more detailed answers and, where applicable, provide evidence when making a full formal application.
