Suzuki GB PLC believes the content of these qualifications deliver the core specialist knowledge and skills required by the Automobile, Motorcycle and ATV sectors, and therefore support the needs of employers within the industry by creating the basis of high quality, skilled work force. These qualifications will provide students, aged 16years plus, with an advantage when applying for related jobs, apprenticeships, and other further or higher level qualifications related to the sector. Therefore in Suzuki GB PLC's view, there is a definite need for these qualifications to be made available on the Key Stage 5 performance tables to allow learners interested in a career in the sector to develop, progress and in the future, secure a job role.

Yours sincerely
